Adecco

Adecco Recruitment has partnered with the Australian Bureau of Statistics to recruit 38,000 temporary employees in areas across the country. These employees will play an important role in helping people to lodge their Census forms for the Australian National Census 2021.

We are seeking your assistance in promoting the positions within your area. The Census provides valuable insights into the make-up of Australian society and is often the only source of data on small population groups and small geographic areas, which is why it is vital that we achieve the highest level of engagement and participation possible within your area.

To view our current vacancies, please visit: <https://censusjobs.adecco.com.au/applications>

Please see the attached printable flyer for the roles available. Any assistance that you can provide regarding how we can better promote the roles or obtain better community engagement would be greatly appreciated.

## Looking to strengthen our community connection

**East Gippsland Water**

Do you have an interest in water and wastewater services in East Gippsland? Could you provide invaluable feedback on these services and fairly represent broader customer views?

East Gippsland Water is seeking additional members to join its Customer Committee – to further strengthen its connection and engagement with customers.

The call for new members is particularly timely. Preparations are underway for a comprehensive program of engagement that will consider East Gippsland Water customer priorities, needs and preferences and help drive how the organisation will develop into the future to serve its customers and the community better.

The Customer Committee has a key role to play in ensuring customer views are carefully considered in relation to East Gippsland Water decisions on important water and wastewater issues, including future service priorities.

These are volunteer positions. The committee usually meets every three months and reasonable travel costs will be covered.

Members must be East Gippsland Water customers and will be appointed based on their ability to represent broad customer views.

**The deadline for applications is 5pm, Friday 26 March, 2021.**

For more information and an application form please go to East Gippsland Water's website [egwater@vic.gov.au](mailto:egwater@vic.gov.au). Alternatively, call 1800 671 841, or email [hr@egwater.vic.gov.au](mailto:hr@egwater.vic.gov.au).

### Digital Parenting Tips

#### Planning:

Managing your own screen-time is vital to showing your child how it's done, making enough time in your family life for screen-free connection and your own wellbeing. Make your own screen-time plan and share it with your child.
